Bio

Founder of Ed Troxell Creative & Creator/Facilitator of the Hey Ed Network. Based out of Northern California, Ed, A.K.A. Tech Man, breaks down today's technology for small business owners, relieving their tech stress, and teaching them how to easily grow their business online.

Ed graduated from Sonoma State University with a Bachelor's Degree in Communications, has a Sales & Marketing certification, was Publisher of MIX IT UP Magazine, and has worked for small and large businesses including The Volunteer Center of Sonoma County and Apple Inc. Ed is a serial entrepreneur who brings a unique skill set to the table, making it very easy for any business to work with him and understand what next steps they should take.
